

MOUNTING PLATE - 55533

INSTALL INSTRUCTIONS

IMPORTANT SAFEGUARDS, READ AND FOLLOW ALL SAFETY INSTRUCTIONS.

When using electrical equipment, basic safety precautions should always be followed including the following:

- To reduce the risk of death, personal injury or property damage from fire, electric shock, falling parts, cuts/abrasions, and other hazards read all warnings and instructions included with and on the fixture box and all fixture labels.
- Commercial installation, service and maintenance should be performed by a qualified licensed electrician.
- If you are unsure about the installation or maintenance, consult a qualified licensed electrician and check your local electrical code.
- To prevent wiring damage or abrasion, do not expose wiring to edges of sheet metal or other sharp objects.
- Do not make or alter any open holes in an enclosure of wiring or electrical components during installation.

FOR USE ON LED LINEAR HIGH LUMEN HIGH BAYS (#55534 - 55539) WITH INTEGRATED EMERGENCY PACKS (55319, 55320, 55321) - Refer to installs provided with emergency battery backup for more detailed information.

⚠ WARNING - TURN OFF POWER SUPPLY FROM MAIN CIRCUIT BREAKER BEFORE INSTALLING OR SERVICING.

MOUNTING PLATE INSTALLATION
