Description

The DHL-LP-LED™ is an innovative interior high bay lighting luminaire that delivers top-end performance packaged into a sleek form factor. This low-profile linear high bay/low bay luminaire offers commercial and industrial building owners an all-in-one solution for illuminating their facility while drastically reducing energy consumption to aid their bottom line. The DHL-LP-LED™ high bay luminaire features top-quality construction, a range of lumen packages, and various control options that make it a versatile solution for commercial and industrial building owners looking to upgrade to next-generation LED technology. Delivers up to 130lm/W.

Features

Optical System

- Reflector systems features highly reflective coating, delivering adequate light for high ceiling applications.
- Diffuser lens reduces glare and improves occupant working conditions while maintaining high efficiencies.

Construction

- Rugged and durable construction withstands warehouse environments with an IP54 rating. Luminaire features durable, matte white finish.
- For more features see page 2
