

FLUORESCENT INTERIOR FIXTURES

Superior Life® Interior fixtures are high quality, dedicated to the latest lamp and electronic ballast technology for efficiency and optimal performance. Custom designed mainly for office space, the shallow housing installs easily within limited space.

FEATURES

- **Energy Efficient** - alternative to traditional HID lighting.
- **Construction** - 22 gauge cold rolled steel. All steel surfaces are white powder coat, 86% minimum average reflective.
- **Electronics** - Ballasts are secured by mounting bolts to ensure a tight reliable fit for maximum heat dissipation and minimal ballast noise.
