

LED EXTERIOR LIGHTING

FLOOD FIXTURES

Superior Life® LED Flood lights are high quality, designed for outdoor use. Perfect for illuminating building facades, pathways, landscaped areas and providing added security lighting. Our energy-saving Floods deliver bright, uniform light with a long life (50,000 hrs) significantly reducing maintenance costs and energy use over the life of the fixture, quickly paying for itself.

Application: Ideal for commercial and industrial applications; walkways, landscape, wall washing, pathways, security and perimeter lighting.

Fixtures are available in a variety of finishes and color temperatures.

Contact your sales representative to discuss your specific needs.

LED EXTERIOR LIGHTING FLOOD FIXTURES

FEATURES

- High Efficiency, Energy Saving
- High Performance LEDs - High lumens per watt light output.
- Compact and modern design
- Durable Construction
- Vibration and shock resistant
- Wet Location Rated
- Mercury Free - Environmentally friendly.
- Customizable - available in a variety of finishes and color temperatures. Contact your sales representative to discuss your specific needs.
