

LED INTERIOR LIGHTING

TRACK HEADS

LED Track Heads feature energy efficient integrated LED technology to deliver bright uniform light with a long life. Both styles have selectable wattages and are adjustable for dynamic lighting in any application. Durable metal construction with a smooth finish for a sleek modern design. Compatible with popular linear track systems.

Application: Designed for a variety of applications; illuminating merchandise, architectural features, displays and artwork.

LED INTERIOR LIGHTING
POWERZOOM™ TRACK HEAD

FEATURES

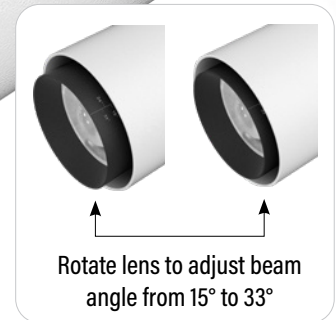

- Selectable Wattage & Beam Angle
- High Efficiency, Energy Saving
- Modern design, for a clean visual appearance
- Smooth zoom for precision light distribution
- 360° head rotation with 90° tilt
- White or Black finish
- Compatible with H or J track systems

ADJUSTABLE LIGHTING

WATTAGE SELECTION SWITCH

Rotate lens to adjust beam angle from 15° to 33°
