

TONE-SELECT™

5.5W MR16

FEATURES

The MR16 LED lamp offers the flexibility to select the ideal color temperature for any application while delivering bright, energy-efficient illumination, excellent color rendering, and long-lasting performance.

- Selectable CCT: Choose from three color temperature options.
- Ideal replacement for traditional 50W MR16 halogen lamps.

APPLICATION

Ideal for residential and commercial applications including track lighting, recessed fixtures, display lighting, accent lighting, and landscape applications.
