HALOGEN LAMPS

Choose from our Superior Life®, Sky-Brite®, Light Star® and Light Star® Plus brands. Each halogen capsule contains a quartz envelope for durability and pure tungsten for superior life. The regeneration cycle continuously restores the filament creating a 6x longer life and clear crisp white light. Precision reflectors provide excellent light control with a fluted mirror. Dichroic coating removes 65% of heat by passing it through the back of the lamp and the resulting cooler light beam is ideal for retail displays.

- **FRONT GLASS AVAILABLE IN A VARIETY OF COLORS**
