***90992 / 90993 / 90994 / 90995**
 Check production date code found on the etch for 90992 / 90993 / 90994 / 90995. The above compatibility chart should be used for items produced in 2016 thru 2017. The packaging will show they are only dimmable at 120V. The same item numbers produced in 2018 and currently are 0-10V dimming, no compatibility chart required.
